

Now showing Friday, February 3rd at 3:30 pm

It's always tough to move to a brand new school, especially when the year is already half over. This is exactly the spot Chrissa is in after finding herself the newest kid in the fourth grade and a prime target for the popular girls known as the "Mean Bees". When the biggest, meanest bully of the bunch becomes Chrissa's biggest competition on the swim team, Chrissa must find a way to stand her ground and end the bullying. **Rated PG - 90 minutes**
